City of Morenci  
Curbside Leaf Pickup  
Rules and Regulations

The City of Morenci, through its contractor – T & R Total Lawn Care – will begin curbside leaf pickup the week of November 14, 2016. If residents would like to discard leaves before curbside leaf pickup begins, they are encouraged to do so at the compost pile behind the Morenci Department of Public Works (DPW) Facility.

To make leaf pickup easy, the City of Morenci is asking that you follow the following guidelines:

- Bagging of leaves is strongly discouraged.
- Leaves should be placed next to the street curb, not in the street boulevard.
- Leaves should be placed as close to the street curb as possible without interfering with traffic patterns.
- Leaves should be free of big chunks of wood and foreign objects. If such are found in leaf piles, leaf piles will be left with the homeowner responsible for disposing of such piles.

Curbside leaf pickup will continue through 6:00 p.m. on the Friday of the second week of December. Leaves will not be collected after such time, and will become the responsibility of the homeowner.

If you have any questions or concerns regarding leaf piles, you are encouraged to contact the City of Morenci at (517) 458 – 6828.
